

EXTERIOR MAINTENANCE

ADOS LEAK STOP

Easily stop leaks instantly. Permanent waterproofing sealant. Adheres instantly to almost any surface, flexible, bridges gaps, can even be applied in the wet.

CRC 808 SILICONE

Multipurpose spray for general lubrication including sliding doors, locks, catches and curtain tracks. Preserves and protects rubber mouldings, waterproofs sports gear and lubricates.

CRC EXOFF

The ultimate degreaser and cleaner. High performance. pH neutral, safe on surfaces, users and the environment.

Use everywhere.

CRC XD8

Ultra heavy duty cleaner and degreaser. Commercial strength, lots of uses. Ideal for removing wax, oil, tar and paint.

CRC RUST CONVERTER

Unique fast drying treatment for rusted surfaces. Stops rust instantly. Easy application, simply wire brush then spray. Converts rust to hard primer. Available in aerosol and liquid.

CRC CLENE UP

Outdoor cleaning solution. Simply spray it on and hose it off. Ideal for the washing the house from top to bottom, decks and outdoor furniture. Removes algae, moss, mould etc. See results instantly.

CRC GROUCH

Powerful graffiti remover, sprays in a gel. Easy to use on paint, pen and other nasty marks.

CRC GARAGE DOOR LUBE

High performance lubricant specifically formulated for use on all garage doors and components. Protect your investment.

CRC ZINC IT

Forms a highly protective coating. It is ideal for repairing galvanised surfaces or an easy-to-apply alternative to hot-dip galvanising. Suitable for iron railings, roofing, gutters, air conditioning, TV and radio aerials. Zinc colours also available.

CRC MULTILUBE

Unique penetrating gel formulated to produce a clean, odourless lubricant for high-pressure and high-temperature applications. It is ideal for door stops, sliding rails, door and window lock mechanisms, bike chains, tractors and farm equipment.

CRC 556

Your tool kit in a can! Multi-purpose service spray that penetrates, lubricates and prevents corrosion. Ideal to stop all the squeaks and squeals. Protects fishing gear, door locks and hinges, sliding doors and windows, prams, bicycles and garden tools.

ADOS HS-E ADHESIVE SEALANT

One component sealant with high adhesive strength. It has excellent adhesion and very strong bond to building materials, metals and plastics. HS-E is flexible, will not shrink and is paintable, suitable for most sealing, bonding and gap filling. Available in three colours: black, white, grey.

ADOS MS ADHESIVE SEALANT

High performance, one component neutral curing adhesive sealant. It adheres to PVC, concrete, brick, timber. Suitable for sealing gaps, window frames, doors, roofing and gutters. Available in four colours: black, white, grey, clear.
