

ADOS

AUTO BODY FILLER

SAME GREAT PRODUCT - NEW PACKAGING

SPECIALLY FORMULATED VERSATILE MEDIUM WEIGHT FILLER FOR ALMOST ANY AUTOMOTIVE APPLICATION!

ADOS Body Fillers' ease of sanding and fairing gives an extremely high quality finish. It has very strong adhesion qualities with a smooth creamy texture and superior strength. The special formulation will prevent sagging and pin-holing.

ADOS Body Filler supersedes other filler compounds because there is no shrinkage. Curing is created by a chemical reaction brought about by the addition of the hardener and does not depend on solvent evaporation or air drying. It is compatible with basecoat/clearcoat systems eliminating staining and/or bleeding of base coat.

Features & Benefits:

- High quality finish on a variety of surfaces - car bodies, boats, trailers, caravans.
- Quickly and easily fills dents, scrapes, chips, cracks, and rust holes.
- Can be sanded, filed and painted
- Very strong adhesive qualities
- Permanently durable

Uses:

- Specially formulated for automotive filling
- A quality panel filler for all repairs - fills dents, scrapes, chips and rust holes
