## EXTRA CUT CREAM POLISH

CUT POWER ●●●●●  
PROTECTION ●●●●●

REJUVENATES DULL OR FADED PAINT

CRC RE-PO Extra Cut Cream Polish is a heavy duty cutting cream that safely restores a deep, rich gloss to dull, faded or heavily weathered paintwork.

CRC RE-PO Extra Cut Cream Polish combines the finest premium grade Carnauba waxes, polishing compounds and silicone fluids, to provide outstanding gloss and protection.

- Rejuvenates dull, faded or weathered paintwork
- Safely restores a deep, rich gloss
- Premium grade carnauba wax gloss and long lasting protection.
- Removes minor swirl marks, light scratches, oxidation, imperfections and old waxes
- Rejuvenates dull and yellowed headlight covers
- For use on all automotive surfaces except clear coat or metallic finishes.

CRC RE-PO Extra Cut Cream available in 250gm (code 9060) and 3.6kg (code 9061)

## CUTTING COMPOUND

CUT POWER ●●●●●

CUTS AND REJUVENATES PAINT

CRC RE-PO Cutting Compound is designed to remove heavily weathered layers of paintwork and for restoring poor surfaces. It also removes imperfections, old waxes, tar and scratches. CRC RE-PO Cutting Compound contains a high quality, specially selected abrasive that is ideally suited for hand rubbing applications.

- Rejuvenates heavily weathered, dull, faded surfaces
- Removes imperfections - old waxes, tar, scratches, swirl marks, stains, paint defects etc.
- Quickly & easily cuts through oxidized surfaces
- Suitable for hand rubbing applications
- Light weight DIY buffing compound

After using RE-PO Cutting Compound, surfaces should be polished with CRC RE-PO Cream Polish.

CRC RE-PO Cutting Compound available in 300gm (code 9500)
