CRC Brakleen

- CRC Brakleen is the original premium heavy duty cleaner.
- CRC Brakleen is a powerful, heavy duty cleaner & degreaser for brake, clutch parts & general mechanical equipment.
- This precise formulation is designed to quickly & safely dissolve & flush away grease, oil, brake fluid, transmission fluid, hardened deposits & other contaminants, without the need for disassembly.
- It safely removes and flushes away hazardous brake dust. CRC Brakleen is non-staining, non-corrosive, leaves no residue & evaporates quickly.

CRC Brakleen Blaster

- Blaster is the same genuine Brakleen Formula but with a higher pressure spray designed to forcefully cut through and remove thick build-ups, hardened deposits as may be experienced with Heavy Commercial Equipment.
- Extreme grease penetration power.
- High pressure spray.

CRC Brakleen Fast Dry Bulk

- Fast Dry Formula Bulk in a 20 litre drum. Ideal for manual application via a pressure sprayer when Aerosols are less suitable.
- Dries fast and leaves no residue.
- Non-Chlorinated.

EXOFF Degreaser & Parts Cleaner

- Powerful.
- pH Neutral.
- Non-corrosive.
- Solvent free.
- Non-flammable.
- Rust inhibitor.
- Non-toxic.
- Biodegradable.
- Safe on surfaces, users and the environment.
- Outstanding degreasing and cleaning power.
- Quick and easy to use.

CRC SmartWasher

- Safe, effective cleaning.
- Non-hazardous.
- Non-flammable.
- Non-toxic.
- pH neutral.
- Non-irritating.
- Sustainable.
- Multiple sizes & configurations available.

Model shown: SW-23 Smartwasher.
Throt-L-Body
- Removes and prevents build-up of harmful throttle body deposits
- Restores engine performance
- Improves fuel economy
5077 Aerosol 500ml

Clean-R-Carb
- Dissolves carburettor deposits
- Restores engine power
- Maximises fuel economy
- Non-corrosive degreaser
- Cleans without disassembly
5081 Aerosol 500ml

Mass Air Flow Sensor Cleaner
- Cleans MAF Sensors in all automotive engines - will not damage MAF sensors or housing (unlike other more aggressive chemicals)
- Plastic safe and residue free, evaporates in seconds
- Improves air/fuel ratio
- Increases km/L, improves fuel economy
5093 Aerosol 400ml

GDI Intake Valve Cleaner
- Designed to remove carbon or similar deposit from valves in Petrol Engines. (Especially GDI type)
- Restores lost power and torque as is 150 x more concentrated than premium fuel additives
- Cleans turbos
5095 Aerosol 400ml

Aeroclean
- CRC Aeroclean is a unique combination of surfactants, detergent and solvent that penetrates grease, oil and grime quickly
- Then wash off with hose water
- Improves fuel economy
- Excellent mould release, parting and waterproofs without leaving deposits
- Temptures and pressures
- Lubricates over a wide range of temperatures and pressures
- Excellent lubricant
- Non-flammable
- PTFE provides effective lubrication in the residual film
- Advanced lubrication
- Lubricates moving parts
5003 Aerosol 550ml
5010 Jerry 4 litre
5012 Drum 20 litre
5016 Trigger 500ml

PEEL OFF
- Removes labels and adhesives
- Cleans off cured adhesives
- Cleans industrial inks off machinery
3352 Aerosol 400ml

Lubricants
- Original toolkit in a can
- Still number one after 60 years
- Advanced lubrication
- Stops squeaks
- Stops & attacks rust
- Displaces moisture
5005 Aerosol 400ml
5006 Aerosol 550ml
5007 Jerry 4 litre
5009 Drum 20 litre
3003 Food Grade 5.56 400ml

5.56 Light
- Low odour
- No solvent
- Advanced lubrication
- Stops squeaks
- Stops & attacks rust
- Displaces moisture
5034 Aerosol 400ml

5.56 Industrial
- Non-flammable
- PTFE provides effective lubrication in the residual film
- Advanced lubrication
- Lubricates moving parts
5003 Aerosol 550ml
5010 Jerry 4 litre
5012 Drum 20 litre
5016 Trigger 500ml

5.56
- Non-flammable
- Ideal for cleaning heavy duty electrical equipment such as electric motors, alternators and generators
- Excellent degreaser of all mechanical and electrical components prior re-assembly or even painting
5018 Aerosol 400gm

CO Contact Cleaner
- General-purpose very fast evaporating
- Cleaner and degreaser
- Use on sensitive electronic and electrical equipment
- Safe for use on most plastics
2016 Aerosol 500ml
3102 Food Grade Contact Cleaner 400ml

Syntex
- Very similar lubricant capabilities to Multilube Gel but without the Gel
- Perfect for inside vehicle lubrication of all moving components like pedals and steering columns as has no odour or colour
3035 Aerosol 400ml
3033 Aerosol 210ml
3362 Food Grade Synthetic Lube 400ml

MARINE 66
- Provides extra protection where a salt laden atmosphere will cause corrosion or rust
- Non-drying film protects and prevents corrosion
- Displaces moisture
- Excellent lubricant
6006 Aerosol 400ml

TAC 2
- Exceptional aerosol lubricant designed for use in heavy duty applications. TAC 2 has tough adhesive qualities, is excellent on motorcycle chains
- The base of TAC 2 is heavy-duty high-pressure gear oil with Tac added to resist fling-off at high speed and high temperatures
- 5035 Aerosol 400ml
3091 Food Grade Chain Lube 340g

White Lithium Grease
- Lithium based grease in aerosol
- Extremely resistant to water in air or water applications. After a few minutes dry time will not drip or fling off at high speed
- Ideal for moving parts such as chains, door hinges, suspension movement, seat runners etc
5037 Aerosol 400ml
3036 Food Grade White Grease 284g

808 Silicone
- Reduces friction and lubricates over a wide range of temperatures and pressures
- Revives, lubricates, protects and waterprooﬁns without leaving marks or stains
- Excellent mould release, parting agent and machine bed lubricant
3055 Aerosol 500ml
3056 Can 4 litre

Silicone Mist
- Creates non-stick surface
- Eliminates drag, ideal for electric window runners and sticking seat belts
- Clear, odourless and non-staining
- Leaves no oily residue
3048 Aerosol 500ml

Dry Lube
- PTFE based dry lubricant for lubrication of metal or plastic surfaces where Petrochem products such as oil and grease cannot be utilised
3049 Aerosol 500ml

Silicone
- Reduces friction and lubricates over a wide range of temperatures and pressures
- Revives, lubricates, protects and waterproofs without leaving marks or stains
- Excellent mould release, parting agent and machine bed lubricant
3055 Aerosol 500ml
3056 Can 4 litre

Dry Lube
- PTFE based dry lubricant for lubrication of metal or plastic surfaces where Petrochem products such as oil and grease cannot be utilised
3049 Aerosol 500ml

Penetr8
- High speed penetrant, specially formulated to penetrate rust, dissolve varnishes and gums
- Loses rusted and corroded nuts, bolts, couplings, fittings, hinges and frozen components
- Lubricating residue prevents further corrosion
5501 Aerosol 500ml

Belt Grip
- Lanolin based lubricant for all rubber or synthetic belt types
- Eliminates slippage and noise from properly adjusted belts
- Prolongs belt life
3081 Aerosol 400ml
3065 Food Grade Synthetic Belt Dressing 284g

Multilube Gel
- Specifically formulated to provide a clean odourless lubricant for high pressure and high temperature applications
- After a few minutes dry time will not drip or fling off at high speed
- Ideal for moving parts such as chains, door hinges, suspension movement, seat runners etc
5014 Aerosol 500ml
5018 Aerosol 210ml

Lectra Clean
- Powerful burst of compressed pure propellant
- Non-flammable
- Non-abrasive, non-corrosive, moisture-free, leaves no residue
- Safe on all plastics
- Ideal for electrical, industrial, automotive, office and household use. Anywhere dust needs to be safely removed
2070 Air Brush 360 300g

Penetr8
- High speed penetrant, specially formulated to penetrate rust, dissolve varnishes and gums
- Loses rusted and corroded nuts, bolts, couplings, fittings, hinges and frozen components
- Lubricating residue prevents further corrosion
5501 Aerosol 500ml

Belt Grip
- Lanolin based lubricant for all rubber or synthetic belt types
- Eliminates slippage and noise from properly adjusted belts
- Prolongs belt life
3081 Aerosol 400ml
3065 Food Grade Synthetic Belt Dressing 284g

Multilube Gel
- Specifically formulated to provide a clean odourless lubricant for high pressure and high temperature applications
- After a few minutes dry time will not drip or fling off at high speed
- Ideal for moving parts such as chains, door hinges, suspension movement, seat runners etc
5014 Aerosol 500ml
5018 Aerosol 210ml

Lectra Clean
- Powerful burst of compressed pure propellant
- Non-flammable
- Non-abrasive, non-corrosive, moisture-free, leaves no residue
- Safe on all plastics
- Ideal for electrical, industrial, automotive, office and household use. Anywhere dust needs to be safely removed
2070 Air Brush 360 300g

### Battery Maintenance
- Assures maximum battery current flow
- Promotes longer battery life
- Eliminates energy loss and reduces maintenance issues
- Spray on, wipe off
- Neutralises dangerous battery acid spills

**Battery Terminal Protector**
- Clings tenaciously to metal, resisting water wash-off and repelling moisture
- Fast drying to reduce maintenance time
- Maintains the battery’s peak performance level
- Provides long lasting protection to extend battery life
- Assures easier starting

**Soft Seal**
- Provides heavy duty long term protection from extreme conditions
- Will not wash or wipe off
- Dry, transparent, amber waxy film
- Indoor/outdoor use on metals to electrical fittings

**Long Life**
- Provides superior lubrication & long term rust prevention to all metals subjected to rust and salt corrosion
- It is an excellent lubricant for extending the life of metal to metal sliding/rotating surfaces

### LanoCote
- An environmentally friendly natural product which exhibits superior corrosion protection and anti-seize properties
- It offers outstanding, long-lasting protection in harsh conditions without compromising treated materials or harming the environment

**New Zinc Blaster with wide spray**
- Easy pour-in formula
- Prevents rust during initial start-up
- Anti-wear additives prevent damage during storage
- Anti-rust additives prevent rust and corrosion during storage
- Heat & flame resistant – withstands temperatures up to 650°C
- Protective coating – resistant to abrasion once cured
- Provides excellent colour retention & film integrity
- Single coat, primer less, fast drying – convenient, reduces downtime
- Ready to use aerosol

### Spray-On Underbody Seal
- Resists stone chipping & corrosion
- Insulates against drumming and road noise
- Prevents rust
- High-build capabilities
- Easy application

### Brush-On Underbody Seal
- Extremely tough, flexible material to protect against corrosion and stone chips while insulating against drumming and road noise

### Zinc It
- Quick drying tough coating that offers the same advantages as hot-dip galvanising
- The premium product of its type, CRC Zinc It forms a highly protective coating with 95% highest purity zinc on bare steel or iron surfaces
- New Zinc Blaster with wide spray **NOW AVAILABLE**

### Bright Zinc
- Quick drying coating that combines superior rust inhibiting properties of zinc with a tough but flexible enamel coating and the bright finish of new galvanising
- Heavy duty protection for bare steel or iron surfaces with more than 50% highest purity zinc in the dried film
- Ideal for repair of damaged galvanising

### Black Zinc
- Quick drying coating that combines superior rust inhibiting properties of zinc with a tough but flexible enamel coating and coloured gloss finish
- Unlike standard paint systems it resists undercutting and blistering from corrosion by forming an effective corrosion barrier

### White Zinc
- Quick drying coating that combines superior rust inhibiting properties of zinc with a tough but flexible enamel coating and coloured gloss finish
- Unlike standard paint systems it resists undercutting and blistering from corrosion by forming an effective corrosion barrier

### Diesel Injector Cleaner
- Cleans injectors and keeps them clean
- Restores the essential spray volume necessary for the smooth operation of the engine
- Prevents wear loss and injector fouling
- Eliminates excessive smoking

### Fuel Injector Cleaner
- Removes deposits from injector pintles to allow for better flow and more efficient operation
- Cleans carburetters, intake systems, valves, ports and fuel lines
- Disperses water
- Improves fuel atomisation
- Reduces knocks caused by deposits

### Fast Motor Flush
- Cleans engine and oil pan of sludge, gum and varnish build-up
- Allows oil to flow freely from all parts of the engine
- Helps free sticky valves and rings
- Should be used prior to engine overhaul

### Fibrelock
- Nanotechnology reinforced with militarily strength fibres for a superior permanent repair
- Permanently fixes head gaskets, engine blocks, cooling systems and cylinder heads
- Easy pour-in formula
Red RTV Gasket 340
- Makes any size or shape of gasket in minutes
- Ideal for high temperature, high pressure application
- Replaces most gaskets
- Remains flexible and durable
- Easy to apply
- Contains no lubricants, silicones, oils

Maniseal Brown Exhaust Cement
- High temperature exhaust sealing and gasketing compound
- Withstands very high temperatures
- Bridges gaps and imperfections in exhaust clamping areas
- Contains no asbestos

RTV Silicone Select-A-Bead
- Easy to use pressurised application
- Sensor safe – neutral cure
- Select-A-Bead nozzle allows user to control bead width

Grey RTV Gasket Sensor Safe
- Safe formulation for high torque applications (predominantly Japanese designs)
- Makes any size or shape of gasket in minutes
- Ideal for high temperature, high pressure application
- Replaces most gaskets
- Remains flexible and durable
- Easy to apply
- Contains no lubricants, silicones, oils

Cyclone Body Filler
- High grade polyester cream based filler
- Excellent adhesion
- Tack free finish
- Easy sand formula - will not clog sandpaper, making sanding easier and quicker
- Suitable to repair damage to steel, aluminum, fiberglass panels on automobiles, trucks and boats

Mechanics Orange
- Effectively cleans toughest dirt, grease, ink, oil and paint
- Formulated with the natural power of citrus
- Fortified with lanolin and Aloe Vera so it won’t dry skin out
- PH balanced to be gentle on hands
- Contains fine grade pumice to give serious cleaning power
- Natural citrus cleaning leaves hands with fresh orange smell

Rust Converter
- One easy step - stops rust and converts it to an excellent black primer
- Prevents future rusting
- No more sandblasting, heavy scraping, or grinding
- Can act as a finish coat or can be painted over

Minute Mend
- A two part epoxy putty in a convenient one piece stick
- Bonds to both wet and dry surfaces and can be applied underwater
- Can be tapped, sawed, drilled, machined, stained or painted
- Safe for use in many applications
- Ideal for repairs to petrol tanks, swimming pools or castings

Leak Detector
- Finds leaks fast even under low pressure
- Aerosol package enables fast and easy application with no waste or spillage
- Water-based formula contains no oils, silicones or harmful solvents
- Non-flammable

Engine Start
- Saves starter motor wear and battery drain
- Contains high performance formula CRC upper cylinder lubricant
- Protects dry valves and limits engine knock
- Assists sluggish batteries

121 Repair Anything
- Epoxy with Integrated Glass Fibres
- Quick and Easy to use
- 1:1 Mix Ratio
- Multi-purpose Structural Repair
- Strong High Tensile Epoxy
- Bridges Gaps, Self-Supporting
- Waterproof with no Osmosis
- Flexible, Cures Underwater

Anti-Seize Copper
- Copper based. Safe for use on both ferrous and non-ferrous metals
- High temperature resistance, protects parts up to 982°C

1 Tank Diesel
- 100% total deposit removal
- 100% power recovery proven
- 99% injector flow restoration
- KML increase - restores fuel economy
- Boosts power - restores lost engine performance

1 Tank Petrol
- 14503 Aerosol 510g

Anti-Seize Nickel
- Copper free formulation - For all metals
- Protects fasteners and metal surfaces from seize and galling
- High temperature resistance - protects parts up to +1315°C
- Will not harden - heat aging won’t affect lubricity of product

1 Tank Petrol
- 5816 Bottle 444ml – Diesel
- 5815 Bottle 444ml – Petrol

Perma-Mend
- Fibreglass reinforced self-adhesive repair patch
- Easy application – cut, peel, stick
- Can be drilled, tapped, sanded and painted in less than 1 hour

14089 Sachet
14098 UV Flash Light
RE-PO Valet Pro Car Wash
- CRC RE-PO Valet Pro Car Wash is a specially formulated car wash developed to effectively clean all motor vehicles quickly without scratching
- Contains rust inhibitors for added protection
- Is compatible with all polish types (including polymer polishes)
- Biodegradable, safe for the environment and very economical

9040 Jerry 20 Litre
9041 Jerry 20 Litre

RE-PO Valet Pro Tyre Cleaner
- A concentrated formula that cleans, protects and beautifies
- CRC RE-PO Valet Pro Tyre Cleaner applies a silicone barrier repelling water, oil and road grime
- Excellent value

9042 Jerry 20 Litre

Glass Cleaner
- Professional formula
- Sparkling streak-free finish for all glass surfaces
- Quick and easy removal of tough dirt and grime including grease, finger prints, bugs and smoke haze
- Prevents misting when used on a regular basis
- Anti-static properties to keep surfaces dust-free
- Guaranteed safe on glass, tinted windows, perspex, plexiglass, mirrors, marble benchtops

Liquid Armour
- Protects and restores
- Long-lasting, non-greasy protection and sheen
- Non-toxic, non-flammable, pleasant fragrance
- Use on vinyl, leather, rubber, plastic, fiberglass, chrome, dashboards
- UV protection
- Low Sheen and Original Gloss

Tough Wash
- Heavy duty formula removes tough dirt, grime, bugs, road tar, tree sap, bird residue
- Safe for all paint surfaces
- Cleans without stripping the protective coating
- Will not dull paintwork
- Will not leave water spots on glass or paintwork
- Leaves a brilliant streak-free shine
- Biodegradable

Wet Look
- Ultra high gloss tyre shine gives tyres that “brand new” look
- Leaves a deep wet look finish
- Quick & easy to apply
- Contains high performance silicones to protect and enhance tyres
- High endurance - Withstands normal wet conditions
- Long lasting
- New Dry Look now also available

Plastic & Rubber Doctor
- For a lasting and glowing protection to all Rubber and Plastic parts both inside and out, use CRC Rubber and Plastic Doctor

9240 Tottle 220ml
9245 Tottle 220ml

Glass Doctor
- Intensive glass cleaner and polisher
- Eliminates water spots and restores clarity to glass
- Prevents wiper chatter
- Available in 1 Litre

9225 Tottle 220ml

Headlight Doctor
- Restores headlight lenses
- Cleans discolorated headlight
- Cleans, shines and protects

9230 Tottle 220ml

Metal Doctor
- Restores & polishes metal surfaces
- Quick, easy and safe to use
- Cleans, polishes and protects
- Long lasting, brilliant shine
- Superior weather protection
- Provides corrosive protection

9235 Tottle 220ml

Paint Doctor
- Safe on all clear coat finishes
- Ideal for all auto paint surfaces
- Quickly & easily removes fine scratches, swirls, stains and blemishes.
- Rejuvenates dull or faded paint
- Restores a deep rich gloss to the treated area

9220 Tottle 220ml

Groomers Silicone
- CRC Groomers Silicone is a concentrated formula that provides a thin, durable, odorless film that revives, lubricates, waterproofs and protects
- It will not mark or stain and is ideal for use on all metal, plastic, rubber, fabric, wood and painted surfaces
- Much more than just a tire shine - CRC Groomers Silicone is the best high quality all-round product available

5027 Tottle 220ml

WHY CRC?

For over 60 years CRC Industries NZ has been developing and manufacturing products for the local market. Today you can see new innovative products designed for NZ conditions that carry the same level of quality and efficacy as the original flagship product 5.56. In fact, 5.56 is still sold in its original formulation and valued by Kiwis as the No.1 tool kit in a can, just as it was all those years ago.

The CRC brand in NZ is synonymous with the Kiwi can-do, will do, DIY attitude and has played an integral part to the development of NZ as a country. Many of today’s sporting icons, have donned the CRC red and whites to podium finishes, gaining much awareness for NZ as a nation of winners and can-doers. Businesses partnering with CRC support NZ Made Products and the promotion of using NZ based service suppliers. Whenever you see the CRC cans in store, you know you are working with quality and innovation backed by 60 years of success.

ADHESIVES & SEALANTS - SEE THE FULL RANGE AT WWW.CRC.CO.NZ

ADOS RTV Neutral Cure Silicone

- Neutral cure, non-corrosive
- Excellent adhesion
- Bridges up to 8mm
- Resists water, oil, chemicals
- Auto, marine grade, contractors grade silicone
- 100% RTV silicone
- Permanently flexible, withstands NZ conditions
- Resists cracking, shrinking & vibration
- Excellent resistance to weathering, temperature extremes and moisture
- Broad temperature range performance
- Primerless adhesion to many materials
- Seals out dirt and dust
- Also use with existing gaskets.

8360 Cartridge 310ml (neutral)
8367 Cartridge 310ml (black)

ADOS MS High Performance Sealant

- Excellent adhesion
- Waterproofs, bonds & seals
- Paintable
- Extreme flexibility
- Will not crack
- Interior & exterior use
- Low VOC, Low odor
- UV resistant
- BRANZ Appraised

8361 White Cartridge 400g
8362 Clear Cartridge 300g
8363 Black Cartridge 400g
8364 Grey Cartridge 400g

ADOS HS-E High Strength Elastomeric Adhesive

- High strength structural adhesive
- Elastic (flexible)
- Paintable
- Bridges gaps
- Excellent for expansion and control joints
- Will adhere to most substrates
- UV resistant

8385 Black Cartridge 400g
8386 Grey Cartridge 400g
8387 White Cartridge 400g

ADOS F2 Contact Adhesive

- Versatile – Multipurpose
- High bond strength
- Bonds most materials and substrates
- Water resistant / flexible – Ideal for a wide variety of uses
- Easily applied, highly versatile, durable and bonds instantly to most substrates

8002 Tube 75ml
8003 Blister Tube 75ml
8006 Can 125ml
8008 Can 250ml
8009 Can 500ml
8010 Can 1 litre
8012 Can 2 litre
8014 Can 4 litre
8016 Can 20 litre

ADOS Ultra High Strength Adhesive

- Ultra high strength aerosol adhesive
- High heat resistance
- Instant permanent contact bond
- No clamping required
- Variable spray width
- Bonding porous & non-porous surfaces
- Wood, metal, concrete, flooring (cork tiles, carpet, linoleum, hardwood, laminate), some plastics, particle board, foam
- It is not suitable for use on polystyrene

8180 Aerosol 550ml

ADOS Multipurpose Spray Adhesive

- Bonds most materials
- Repositionable for 1-2 minutes
- Fast tack, clear drying
- Rapid cure, non-staining
- Suitable for metal, cork, paper, foam, polystyrene, wood, fabric, carpet +

8015 Aerosol 210ml
8017 Aerosol 575ml

ADOS STUFF OFF

- Powerful adhesive and paint remover
- Effectively removes: adhesives, paints, graffiti, inks, resins, grease.
- Use on: Metal, wood, fabrics, carpet, stone
- Fixes mistakes - gets stuff off

8270 Aerosol 500ml
