

4x4 Maintenance

CRC CERAMIC ARMOUR 1756339

A hybrid ceramic spray wax designed to provide superior and durable protection with a high-gloss finish. Infused with Silicon Dioxide (SiO₂) technology the formula bonds chemically to the surface creating a water-repellent barrier that protects against contaminants, uv rays, and oxidation.

> Ideal for panels.

CRC TYRE CLEANER 5045

Penetrates the rubber tyre wall and dries to a clear protective film. No rinsing, no wiping, no rubbing. Makes tyres look like new again.

> Ideal for removing stains & scuff marks from tyres.

CRC LANOCOTE - 3020

A biodegradable, lanolin-based corrosion inhibitor and anti-seize lubricant that provides long-lasting, environmentally safe protection for metals in harsh conditions.

> Ideal for underbody.

CRC SOFT SEAL - 3013

Long term outdoor/indoor corrosion protection with superior lubrication to preserve and strengthen the useful life of equipment.

> Ideal for underbody non-moving parts.

CRC NOXY - 3027

High strength and CC3 based anti-corrosion lubricant, perfect for marine & 4WD applications.

> Ideal for underbody moving parts- e.g. suspension.

CRC RUST CONVERTER 14610

A unique fast drying formula that instantly neutralises rust and converts it to a usable surface for priming & painting.

> Ideal for treating rust.

CRC BLACK ZINC - 2089

A quick drying, primer-less finish with zinc complexes to give outstanding protection over bare metal.

> Ideal for painting bull bars & roof racks.

CRC ZINC IT - 2085

Contains 95% of the highest purity zinc in the dried film to form a highly protective coating on bare steel or iron surfaces.

> Ideal for long-term corrosion protection in harsh condition.

CRC METAL ARMOUR 1754703

A zinc-rich primer and sealer that bonds directly to bare metal or most surfaces, including painted surfaces.

> Ideal for use after rust treatment.

CRC 808 SILICONE 3055

A multi-purpose lubricant that provides a thin film to protect and eliminate squeaking & binding caused by friction.

> Ideal for rooftop, cargo bags & general waterproofing.

CRC CO CONTACT CLEANER 2016

A unique, plastic safe, scientifically formulated, technically proven, stable, inert high purity cleaning solvent. It evaporates rapidly and contains no lubricants.

> Ideal for cleaning relays, switches, circuit breakers, printed circuit boards, connectors, generators, contacts, test equipment, terminals, plugs & jacks.

CRC GLASS CLEANER - 3070

A foaming, non-abrasive, residue free formula which is versatile & safe enough to use on the most delicate glass surfaces. It quickly cuts through the toughest dirt, dust, fingerprint and haze deposits.

> Ideal for windows & stainless steel.

CRC 5-56 MULTI-PURPOSE - 1751837

A multi-purpose spray that penetrates, lubricates and prevents corrosion. It forms a thin film that lubricates moving parts for smooth action and silences annoying squeaks.

> Ideal for door hinges.

CRC MASS AIR FLOW SENSOR CLEANER - 5093

Safely clean and protect the mass air flow sensor, improving air/fuel ratio and increasing km per litre.

> Ideal for MAF Sensors.

CRC BATTERY TERMINAL PROTECTOR - 5098

Designed to protect battery terminals from corrosion, the leading cause of battery failure, and to maintain the batteries peak performance level.

> Ideal for battery terminals.

CRC BATTERY MAINTENANCE - 5097

Engineered for the removal of acid corrosion deposits, electrolytes, dirt and moisture from battery surfaces and for neutralising battery acid and electrolytes.

> Ideal for promoting longer battery life.

CRC THROT-L-BODY CLEANER - 5077

Removes and prevents build-up of harmful throttle body deposits. Restores engine performance & improves fuel economy.

> Ideal for throttle body.

CRC BELT DRESSING 1753472

A specialist formulation developed to minimise squeals from automotive belts by forming a non-drying, water resistant film.

> Ideal for multi-ribbed, alternator, steering belts, and other accessory belts.

CRC ENGINE START - 5040

Ensures quick, reliable ignition for diesel and petrol engines, aiding cold starts, weak batteries, and protecting against wear, corrosion, and costly breakdowns.

> Ideal for starting engines.

CRC BRAKLEEN - 5089

Brake and Parts Cleaner formulated to quickly and safely remove brake fluid, grease, oil and other contaminants from brake linings, pads, drums and callipers.

> Ideal for brake parts.

CRC CLEAN-R-CARB 5081

A heavy-duty cleaner engineered to maximise carburettor performance and control pollution.

> Ideal for use on all fuel system components as a general parts cleaner.

CRC CHAIN & WIRE LUBRICANT - 3360

Specifically formulated for effective lubrication and protection of chain and wire driven equipment.

> Ideal for winch.
