EVAPO-RUST GEL

Rust Remover

Brush On Gel Formula

CRC EVAPO-RUST® Brush On Gel: The solution for in place rust removal on metal surfaces.

Why choose CRC EVAPO-RUST® Brush On Gel?

- **Effective rust remover:** Breaks down & removes rust build up from mild steel & iron
- **Non-drip:** Ideal for in-place applications, hard to reach areas & vertical surfaces
- **No soaking required:** Suitable for large items that can't be disassembled
- **Brush on, rinse & scrub off formula:** Enables easy inspection to ensure complete rust removal
- **Targeted application:** Gel formula allows for precise application & full coverage of hard to reach areas

EASY APPLICATION
