

CRC Rust Converter Aerosol

CRC Rust Converter is a unique fast drying formulation that rapidly neutralises rust and turns it into a black usable surface for priming and painting. It binds to the surface and provides a waterproof barrier by sealing out moisture for effective long-lasting rust protection.

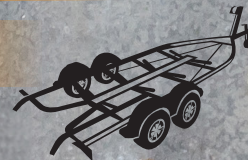

Instant rust neutralisation

Ideal for hard-to-reach areas

Ready to use

Fast & effective

CARS, TRUCKS
BOATS & TRAILERS

IRON OR
STEEL

EQUIPMENT
AND TOOLS

RAILINGS
AND FENCES
