Typical Properties and Characteristics

Flash Point	45°C
Boiling Point	100 - 200°C
Odour	Mild odour
Appearance	Coloured paste
Solubility	Immiscible in water

% Volatile	N/A
Vapour Density	>1
Specific Gravity	0.94
Flammability	Flammable

TECHNICAL DATA SHEET

CRC RE-PO Extra Cut Cream Polish

Directions

1. Wash vehicle and chamois dry.
2. Apply CRC RE-PO Extra Cut Cream Polish to a section of the vehicle at a time, using a soft, open weave cotton cloth or similar, folded into a pad.
3. Rub well into the surface to loosen oxidised paint and road film.
4. Change cloth if it becomes clogged with perished pigment and dirt.
5. Allow to dry to a light, powdery haze and then, using a continuous circular motion, buff off with a soft, clean cloth.
6. Once the polish has restored the vehicle's paintwork, we recommend you use CRC RE-PO Cream Polish or any of our quality vehicle grooming products to keep your vehicle looking like new.

HANDY HINTS:

1. Do not apply on hot surfaces or in direct sunlight.
2. For new and well kept cars, use CRC RE-PO Cream Polish in the blue tin.

NOTE: Keep tin airtight.

Special Precautions

General:
Flammable liquid and vapour. May be fatal if swallowed and enters airways. Causes skin and serious eye irritation. May cause drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not breathe vapours. Use only outdoors or in a well-ventilated area. Take action to prevent static discharges. Store in a well-ventilated place. Keep cool. Store locked up. Dispose of contents/container to authorised hazardous or special waste collection point in accordance with any local regulation.

Refer to **Safety Data Sheet** for more details.
