

TECHNICAL DATA SHEET

CRC EVAPO-RUST® Canister

CRC EVAPO-RUST® Canister is a non-toxic rust remover for fast and effective restoration. It is specifically designed to remove rust, with no scrubbing or sanding required. It is safe, simple, and easy to use. No mixing is required as the solution is ready to use.

Now with the easy-store, no-pour container and included dip basket, the process is even easier and more convenient. The use-in-container is ideal for small tools, hardware, keys, and other household items. Just place the rusted parts directly inside the dip basket, and from there just soak, rinse and reuse.

Item Code: EVRC

Pack Size: 1L Canister

Features and Benefits

- **Easy store, no pour container:** Included dip basket is designed to be used in canister for ease of use
- **Removes rust to bare metal:** Powerful, heavy-duty formula for even the toughest rust, no scrubbing or sanding required
- **Non-toxic, non-caustic and non-corrosive:** Won't harm delicate items or parts
- **User safe:** No harmful fumes or bad odours, non-flammable & no VOCs
- **Reusable, ready to use formula with long lasting efficacy**
- **Will not harm unruled steel, safe on other metals**
- **Will not affect plastic, PVC, Viton & non-oxide-based paints**

Applications

Hardware, small tools, garden equipment, small household items, bicycle gearing and chains, fishing tackle, keys, small automotive parts, and more.

Typical Properties and Characteristics

TECHNICAL DATA SHEET

CRC EVAPO-RUST® Canister

Directions

1. Read entire label before use. (Use at 18°C and above for best results).
2. Rinse item thoroughly, place item into dip basket inside canister and completely immerse item in CRC EVAPO-RUST®.
3. Continue soaking until all rust has been removed. Depending on the depth and age of rust, soak your item for at least 30 minutes for light rust and 12-24 hours for stubborn rust.
4. Once rust is removed, rinse item with water and dry immediately.
5. Replace lid and store used CRC EVAPO-RUST® in canister for next use.

Note: If CRC EVAPO-RUST® is used below 18°C cleaning times will be extended.

Tip: Once the liquid is entirely spent, empty canister and refill with CRC EVAPO-RUST® Ready to Use liquid.

Special Precautions

General:

Not considered a Hazardous Substance. Not regulated for transport of Dangerous Goods.

First Aid:

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
