TECHNICAL DATA SHEET

CRC Exoff Food Grade Degreaser & Parts Cleaner

CRC Exoff Food Grade Degreaser & Parts Cleaner is a non-toxic cleaner and degreaser that provides uncompromised performance and safety. It effectively removes heavy deposits of grease, oil and dirt, yet is non-abrasive.

It is a next generation high performance cleaning technology and safe on surfaces, users and the environment. It is formulated to penetrate and dissolve tough grease, animal fats and oils for easy removal safely. It has a longer dwell and work time than solvent based cleaners making tough cleaning easier.

MPI Approved C31 for all animal product except dairy. MPI Approved for use at farm dairies and in dairy processing.

Item Code: 1758151 **Pack Size: 200L Drum**

Features and Benefits

- **Powerful:** New generation technology delivers uncompromised performance
- **Non-toxic:** Safe on users and the environment, no dangerous fumes or smells
- **Contains Rust Inhibitors:** Prevents corrosion and flash rust while cleaning
- **Non-Corrosive:** Won't damage soft human tissue, soft surfaces or bright metals like aluminium or brass
- **Non-Flammable:** Use with confidence in busy workshops and trade environments without fear of ignition
- **Solvent free:** No harmful fumes or vapours - safer for users and surfaces
- **MPI Approved C31** for all animal product except dairy
- **MPI Approved** for use at farm dairies and in dairy processing

Typical Properties and Characteristics

pH	9.0 - 10.0
Boiling Point	>100°C
Odour	Mild - unfragranced
Appearance	Colourless slightly opaque liquid
Solubility	Miscible in water
Flammability	Non-flammable
Specific Gravity	1.07

TECHNICAL DATA SHEET

CRC Exoff Food Grade Degreaser & Parts Cleaner

Directions

1. Test on an inconspicuous area first if there is any concern regarding sensitivity of surface.
2. Spray and leave on surface for 1-2 minutes to allow soil penetration. For heavily soiled items: Remove excess debris using a scraper or wire brush prior to applying product.
3. Wipe or rinse clean with water or a damp sponge. If using CRC Exoff on food surfaces, thoroughly rinse with potable water.
4. Repeat the application if necessary.

Note: CRC Exoff has been formulated to work with warm or cold water. For increased cleaning power, use warm water.

Dilution: Dilution rates can be varied to suit your cleaning and degreasing requirements.
Suggested starting points:

- **Light cleaning:** Mix 1 part CRC Exoff in 20 parts of water.
- **Degreasing:** Mix 1 part CRC Exoff in 10 parts of water.
- **Extreme duty:** Apply CRC Exoff directly to parts and allow to sit for 5 minutes, then wipe with a clean cloth.

Special Precautions

General:
Dispose of contents/container in accordance with relevant regulations. All unused product should be disposed of in conformance with local and hazard regulations, do not contaminate water supply.

Refer to **Safety Data Sheet** for more details.

Product Warranty or Shelf Life

CRC offers a conditional warranty on this product for the period of 5 years from the date of manufacture.
